

SALEM-Immanuel Lutheran College
Overview of Student Activity Fund (2016-17)

Issued on 9th November, 2016

Purpose

We commit to organizing and arranging a wide range of life-wide learning (LWL) activities to enhance students' learning effectiveness, which helps to broaden their learning experiences outside the classroom and enhance their sense of belonging to the community. Various types of career and counseling activities are organized to develop students' potential for the purpose of whole-person development. Students with financial needs can be partially funded to make sure that they enjoy equal opportunities to join the activities as the other students in the school. All S.1-S.6 students who have participated in extracurricular activities organized or recognized by school and meet one of the following criteria may apply for the subsidy.

1. receiving "Comprehensive Social Security Assistance" (CSSA),
2. receiving full grant under School Textbook Assistance Scheme (STAS-Full),
3. receiving half grant under School Textbook Assistance Scheme (STAS-Half) or
4. defined as "financially needy" by the school.

* All students are eligible for applying for the "Career and Life Planning Grant" (CLPG).

There are three subsidy schemes available for application as follows. Parents may refer to the specific scheme of funding for details.
