

**Immanuel Lutheran College
School Development Plan (2006-2009)**

Major Concerns for 2006/07 – 2008/09

(in order of priority)

1. **Developing School-based Curriculum in line with the education reform**
2. **Strengthening EMI capacity of teachers and students**
3. **Developing students' capacity to become life-long and self-regulated learners**

School Development Plan (2006/07 – 2008/09)

Major Concerns	Objectives	Strategies	Responsible Department/ Person	06-07	07-08	08-09
Developing School-based Curriculum in line with the education reform	<ul style="list-style-type: none"> - to establish NSS curriculum - to establish junior curriculum through skills development and language proficiency enhancement 	<ul style="list-style-type: none"> - steering committees (LS, EMI, CDC) - staff professional development - Learning Circle (LC) & Collaborative Lesson Preparation (CLP) - external consultancy (e.g. HKIEd) - external resources (tutors) 	Lau YS, CDC, AAC, Panel heads of all subjects	√	√	√
Strengthening EMI capacity of teachers and students	<ul style="list-style-type: none"> - to develop students' ability to learn in English - improve students' interests, abilities and performance in the learning of English 	<ul style="list-style-type: none"> - coordination EMI subjects' effort to facilitate students' learning - LC & CLP of English Teachers - collaboration between English Department and EMI subjects 	Ho H.S., English Dept., Panel heads of all EMI subjects	√	√	√
Developing students' capacity to become life-long and self-regulated learners	<ul style="list-style-type: none"> - to enhance students learning motivation - to help students acquire learning skills 	<ul style="list-style-type: none"> - junior forms – enhance students' learning attitudes, practice self reflection, etc. - senior forms – learning skills 	Lau YS, Wong Y.K. AAC, CDC	√	√	√
